

600L Maintenance Spill Kit - 4 Wheeled Bin

Features:

- Specifically designed for safe and efficient clean-up of everyday spills
- Maintenance absorbent socks constructed using post-industrial fill with a spunbond outer layer designed to maximise tensile strength, liquid retention, and overall durability
- Maintenance absorbent pads perforated for controlled usage and fabricated from high-loft meltblown polypropylene fibres, delivering excellent absorbency performance and strength
- 600L four-wheeled bin for easy mobility between locations by a single person
- Four-wheeled bins are reusable with refill kits available for cost-effective restocking
- Weather-resistant construction for reliable outdoor performance

Kit Contents:
